Fleet Operators

Fill in the form & get onboarded!

Attachment form at a glance

- Designed for sole traders, partnerships and companies and any legal persons residing in India.
- Suitable for fleets of private cabs, private hire and luxury service vehicles, chauffeur and personally owned vehicles legally allowed to operate in Kolkata metropolitan and the suburban area.
- Allows applicants to establish a service contract with Toulik to act as a fleet operator.
- As a result of the service contract fleet operators can earn by transporting passengers who book trips via Toulik's ODTTA platform as well as via spot hiring by passengers at a price decided and authorized by Toulik.

Completing this form

This form is purposely inquisitive as we want to know as much as possible about you and, where applicable, your business. The more we know about a proposer the better the terms and benefits we can provide. In some instances we may ask you to complete supplementary questionnaires for certain types of vehicles, occupations and optional covers.

Please complete this proposal form in BLOCK CAPITALS. You must give full and true answers to all questions. 'YES' OR 'NO' answers must not be left blank. If you need more space for any of the answers, continue on the additional information sheet, photocopying it if necessary.

Starting Date

Q1, 2019

Referral Code

Attachment or Fleet Operator's Service Contracts are usually issued for 6 months.

Are you willing to add a physical panic button and CCTV in your fleet? Yes No

Providing Essential Information

We rely on the information in this proposal form and supplementary questionnaires when we decide to grant you a "Fleet Operator's Service Contract". It is therefore of the greatest importance that all the information given to us is accurate, complete and that you, the vehicle owners and all the drivers to be included in your fleet operation have not withheld, falsified or misrepresented any essential information. Essential information is defined in the "Fleet Operator's Service Contract" as "All information and any particular circumstances which would influence us in our decision to serve you as a Fleet Operator". It is an offence to deliberately make false statements and to withhold or misrepresent information in this attachment form.

Is there any essential information not covered by the questions in this form which should be disclosed to us? Yes No

If yes, please provide full details on, Additional information page, if necessary.

Please remember to include all information which you consider improves your risk and which could result in a lower premium being charged.

Read before signing declaration

We strongly recommend that you keep a record of all information given to us including copies of all letters, emails, this proposal form and any supplementary questionnaires you have completed. Your signing the declaration at the end of this form signifies your consent to the information being used in the ways outlined below.

- For the purposes of the Data Protection, Toulik is the Data Controller for any personal data you supply. You may, with limited exceptions and on payment of an appropriate fee, access and if necessary have corrected the information held about you. Should you wish to have such access, please write to: **info@toulik.com**
- If and when your attachment proposal is accepted by Toulik, you will receive an official communication and corresponding instructions about the next steps.
- Toulik considers any fraudulent information provided in this attachment form as an intentional offense and can take legal actions even if it discovers the offense after granting a positive assessment of this application. Such a discovery can lead to immediate banning of Fleet Operator's Service Contract granted to you by Toulik and a long term ban in the ODTTA platform operated by Toulik.

Declaration

- I/we understand that the signing of the attachment form and declaration does not bind me/us as Fleet Operator with in the Toulik ODTTA platform and will not be in force until this proposal has been accepted by Toulik and confirmation of grant for an Attachment or Fleet Operator's Service Contract is in my/our possession digitally or in written communication from Toulik.
- I/we declare that the information given and the statements made in this attachment proposal form and any supplementary questionnaires are, to the best of my/our knowledge and belief, true and complete and that I/we understand the implications of "Important" information on pages marked as so. I/we accept that this proposal and any supplementary questionnaires I/we have completed will form part of the contract between me/us and Toulik and that I/we will follow the terms and conditions to be laid out when and if the "Attachment/Fleet Operator's Service Contract" is awarded based on this proposal.
- I/we have read "Providing essential information" above and have provided an answer to the question posed. I/we have not suppressed, misrepresented or failed to disclose any information which would be likely to influence the assessment or acceptance of this proposal. I/we understand such suppression, misrepresentation or failure may invalidate my/our proposal, result in the proposal being not getting accepted.
